Dear Mr Peart,

I understand that you are now my assigned care worker, and report to Adrian Walker.

I wish to be moved to a nursing home of my choosing nearer to Bracknell in Berkshire.  
This is so that I may be closer to my friends and to where I lived for many years prior to Buckinghamshire.

Please CC at least Robin in any written reply to this letter and keep him fully informed.

These wishes were always made clear to everyone while I was at Amersham Hospital and have been repeated since I was moved to Chiltern Court. This includes Dr Koshy and my speech therapist Mellisa Evans. This was discussed with Dr Koshy during my checkup at Amersham Hospital at 1130 on 9<sup>th</sup> October when Robin was also present. It was also made clear to Melissa when she visited me at 1515 on 5<sup>th</sup> October – also with Robin present. I did not agree to discharge from hospital and was told Chiltern Court would be “temporary”.

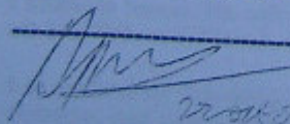

I would also like to take this opportunity to record my wishes, expressed to Melissa Evans and Dr Koshy, that I am happy for Robin Lovelock to have full access to all information about me, including detailed medical information, financial information, and any information relating to my case. This is so that I may have the opportunity for my friends and others to verify any facts and make a suitable appeal for 100% NHS funding of my care. I have already authorised Robin to contact the Court of Protection, relevant MPs, and the Press, if he believes to do so are in my interests.

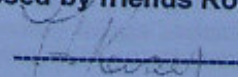

Please see the attached letter ref TAS1 from my friend Robin Lovelock for required background.

Yours Sincerely,

Trevor Saunders

Above letter understood and agreed by Trevor. Witnessed by friends Robin and Terry.
